Our Detroit Clinic is in Suite 925 of the Harper Professional Building at 4160 John R Street. We are adjacent to Harper Hospital and the Barbara Ann Karmanos Cancer Institute. Since we are in mid-town Detroit any major express way in the state of Michigan can be taken to reach us.

For people living in mid Michigan there are a few options one of which is I-96 that meets up with either I-75 or I-94

From the northern cities one can take I-75 south to the Mack Ave Exit. Once on Mack, John R is less then a block away.

Anyone living west of the city can take I-94 right downtown to exit 215c John R / Woodward Street, which leads right to the hospital.
